Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(c)

Applicants filed and Information Disclosure Statement Under 37 C.F.R. § 1.97(c) in the U.S. Patent and Trademark Office on August 31, 2009. The Information Disclosure Statement provided an English translation of the Abstract of DE 100 29 503. This German reference was enclosed and was listed on the PTO/SB/08 form as being untranslated. The Information Disclosure Statement also indicated that a "complete translation of this reference will be filed as a supplemental Information Disclosure statement." Attached is a copy of an English language translation of DE 100 29 503 A1.

Because Applicant has previously filed an Information Disclosure Statement for this same reference pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), and paid the fee of \$180.00 as set forth in § 1.17(p), no additional fee is necessary.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against the claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claim of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
